6-Day Serengeti Calving Season Safari

Otto Safari Guide Tanzania

QUICK ADVENTURE

This 6-day Serengeti calving season safari is timed to coincide with one of Africa’s most dramatic wildlife events: the birth of hundreds of thousands of wildebeest calves in the southern Serengeti and Ndutu region. During this period, predators such as lions, cheetahs, leopards, and hyenas gather in high numbers, creating exceptional game-viewing and photography opportunities. This private safari focuses on the southern plains where the migration herds concentrate, offering front-row access to newborn wildlife, predator action, and vast open landscapes.

DAY-BY-DAY ITINERARY

Day Day 1 — Arusha to Southern Serengeti (Ndutu Area)
Day Day 2&3 — Ndutu Calving Grounds (Full Day Safari)
Day Day 4 — Ndutu to Central Serengeti
Day Day 5 — Serengeti Exploration
Day Day 6 — Morning Game Drive & Return to Arusha
