3-Day Ngorongoro Crater & Lake Manyara Safari (Private, Mid-Range)

Otto Safari Guide Tanzania

QUICK ADVENTURE

This 3-day safari combines two of Northern Tanzania’s most scenic parks — Ngorongoro Crater and Lake Manyara National Park. You’ll enjoy classic Big Five game viewing inside the Ngorongoro Crater and lush forest-and-lake wildlife in Manyara, famous for flamingos and tree-climbing lions. This itinerary is perfect for travelers who want more variety than a single-park safari while keeping the trip short and affordable.
